

Non-County Agency Funding Application

Answer Examples

Agency Overview-Executive Summary of the Agency

Please include the population you serve and an overview of the programs/services you offer.

Our agency is a critical access behavioral health agency that promotes choices for healthier lives and safer communities by providing a continuum of professional services which includes substance abuse and mental health, crisis intervention, family preservation, school-based health services, health and wellness services, criminal justice services and TASC Statewide Training Institute. These programs are provided to make a significant impact on the physical, emotional, and social development of children, adults and families in the communities we serve in eastern North Carolina. Our agency is a private, nonprofit corporation governed by a Board of Trustees representing a cross-section of residents from the area with services provided by a staff of qualified professional.
